

## **Medical Marijuana Patient Recommendation**

**Susan Sample** has been evaluated under my medical care and reports to me that using marijuana helps to relieve their symptoms. I have evaluated the risk and benefits of cannabis use as a treatment pursuant to Statute: **Statute: California Health and Safety Code 11362.7 -11362.83**, otherwise known as Medical Use of Marijuana.

I approve of my patients use of Marijuana for the following medical reasons: Crohn's disease

I will continue to monitor their condition and provide advice on their progress. The patient on this recommendation authorizes this office to discuss the nature of their condition(s). The information contained in this document is only for verification purposes. Please note, this is a non-transferable document and it is the property of the physician. This recommendation can be revoked at any time without notice. This recommendation is void after the recommendation date or if it has been altered or used improperly.

**PATIENT INFO** 

Name: Susan Sample

Statement Issue Date: 10/14/19

**Expiration Date: 11/12/20** 

Note: This is not a formal prescription. but is a statement of my professional opinion. This opinion is rendered as a consultant with expertise in Medicine. The recommendation is in no way to be interpreted as a prescription as defined under Federal Law. It is merely a recommendation that adopts the legal provisions of and is only meant to be used under Select a State Law. Under Federal Law, cannabis is a schedule 1 drug, and under federal law the sale, possession and cultivation of cannabis is illegal. If the above patient is prohibited by court order to use cannabis, this recommendation is void.
